In particular, the Urban Planning team deals with the following matters:

URBAN PLANNING

- Legal advice to private clients, administrations and public entities in all matters concerning Urban Planning Law.

PREPARATION OF GENERAL PLANS

- Preparation of general plans (planeamiento general) , assisted by an in-house or external team of experts. Specific amendments of general plans. In collaboration with external urban planning consulting firms, we draw up general and derivative plans and produce legal reports on planning matters.

URBAN MANAGEMENT

- Establishment of compensation boards (juntas de compensación) , preparation and processing of allotment projects (proyectos de reparcelación) up to their registration, preparation of motions, compensation valuations, etc.

URBAN PLANNING PROCEDURE

We assist in every kind of administrative procedure related to the preparation of general and derivative plans by drawing up motions, reports, administrative appeals and also at the negotiation stage

URBAN PLANNING (CONTENTIOUS)

- We handle contentious-administrative appeals followed in single-judge and collegiate courts in relation to all kinds of plans: territorial organisation plans (ordenación territorial) , urban plans, and urban management plans, including planning and environmental permits.
