RocaJunyent

Our team

Marlen Estévez Sanz
Partner – Dispute resolution

Marlen is a partner and head of the Litigation, Arbitration and Mediation Department, as well as a member of the Board of Directors at RocaJunyent. She has had a prolific international career as an expert in conflict resolution. She combines her role as a lawyer with the presidency of Women in a Legal World and Más Cultura del Acuerdo (associations which she also founded).

Marlen is president of the Madrid Business Mediation Centre (CMEM) and holds executive positions on the Council of European Lawyers and the Royal Academy of Ibero-American Jurisprudence and Legislation, and is a member of the advisory boards of universities, publishing houses, arbitration tribunals and organisations such as Endeavor.

She has been included on the list of mediators maintained by the Ministry of Justice, the Spanish Mediation Centre and the International Centre for Mediation and Agreements of Colombia (CIMA), amongst others. She is a member of YPO and sits on the board of the Iberian Chapter. Furthermore, she is Spain's representative to the ICC.

In the field of education, she lectures on arbitration and mediation at IE University, Comillas Pontifical University, Carlos III University and the Complutense University of Madrid, as well as at international universities such as Francisco Marroquín University in Guatemala.

The author of numerous publications, she runs senior management, management and leadership programmes at ESADE, Wharton and Harvard. She has been named one of the 20 most prominent lawyers and one of the 100 most influential women in Spain, as well as being recognised by Iberian Lawyer in the InspiraLaw rankings, the Top 60 Women in the Iberian Legal Sector and the Forty under 40 lists. She was selected as one of the 50 most inspiring women in the legal sector by Iberian Lawyer 2025.

Marlen speaks Spanish, English and French.

Beatriz Rodriguez Gómez

Partner – Technology, cybersecurity and data protection

A Certified Data Protection Officer and privacy specialist accredited by ISMS and Aenor, Beatriz is also a legal expert in cybersecurity (ISMS), blockchain, information security, digital marketing, e-commerce and Scrum.

Her experience includes advising national and international companies on the development of compliance strategies, audits, defence in disciplinary proceedings, and the procurement of technology services, amongst other areas. Furthermore, Beatriz is an expert in advising on digital transformation and privacy transformation projects.

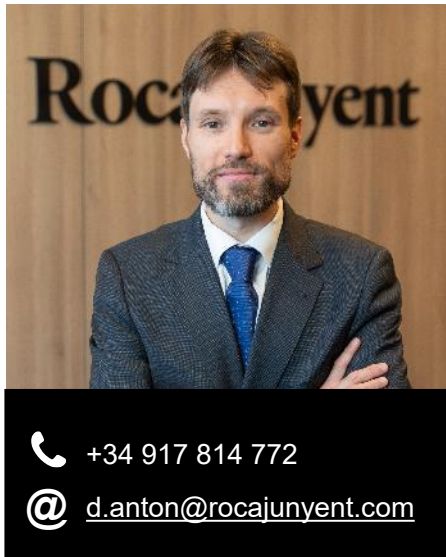

Co-chair for Europe at PrivacyRules – an international network of privacy and cybersecurity experts – Beatriz is director of the Millennial Group at the Multisectoral Association of Women Executives and Entrepreneurs (AMMDE) and a member of the Artificial Intelligence Group at the Spanish Professional Association for Privacy and AI (APEP·IA). She delivers lectures and seminars related to her areas of practice at institutions including CEU, ISDI and ISEM, as well as providing in-company training. She has been recognised as one of Spain's top young lawyers by the business daily Expansión and as one of Spain's leading privacy lawyers by Best Lawyers.

Beatriz speaks Spanish and English.

Best Lawyers

Our team

David Antón

Partner – Regulatory law

David is a Public Law and Regulatory lawyer with 20 years of experience advising clients in highly regulated sectors: energy, public procurement, environment and natural resources, transport, defense, food and beverage, etc.

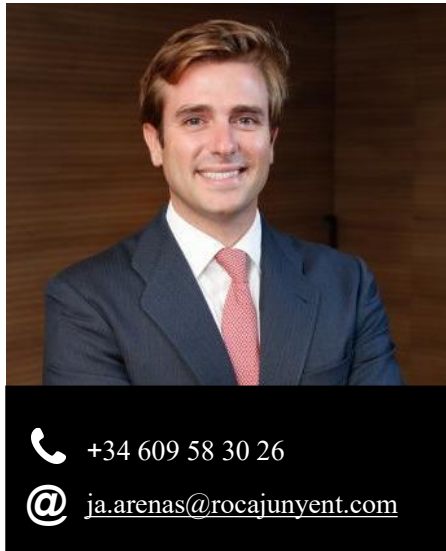

He defends the interests of his clients before public administrations, authorities, regulators and bodies at national, regional and municipal level in a wide range of matters. He is an expert in the process of administrative cases and appeals, including sanctioning proceedings. David is also a well-known litigator in contentious-administrative cases, with a deep knowledge of judicial actions and appeals (including cassation appeals before Supreme Court, constitutional complaints before the Constitutional Court, and preliminary ruling requests before the European Court of Justice).

Particularly in the field of consumption proceedings and advice on consumers rights and complaints, some of the most remarkable cases where David has led the legal defense before consumer protection authorities are the following ones:

- Sanctioning proceedings against technology company due to alleged breaches of general contracting conditions.
- Sanctioning proceedings against technology company due to alleged infringement of advertising provisions.
- Sanctioning proceedings against leading company in transport sector due to alleged breach of language rules and invoicing provisions.
- Inspection of discount voucher policy of leading company in transport sector.
- Recall of toy product including management of relation with regional authorities.
- Inspection of energy sector company in relation with tariffs and prices and measurement of energy consumption.

David speaks Spanish and English.

Our team

Javier Arenas Olivencia

Partner – Corporate and M&A

Javier specialises in private equity and M&A, and has extensive experience in company and business acquisitions, joint ventures, mergers and other corporate restructurings, advising both domestic and international investment funds as well as companies across a range of sectors and industries.

In addition, he provides ongoing commercial advice on corporate and contractual matters to various Spanish companies and international groups with a presence in Spain, as well as participating in various financing transactions.

In the academic sphere, Javier holds a University-specific Degree in Sports Law from CEU San Pablo University, a Double Master's in Law and Corporate Legal Advice (LL.M) from the Instituto de Empresa, and has completed the Executive Programme in Private Equity and M&A at the Instituto Superior de Bolsa, Inversión y Finanzas (ISBIF).

Committed to legal outreach, he has collaborated with specialist media outlets such as Expansión Jurídico, Hay Derecho, Lefebvre, Thomson Reuters, Legal Today and the Notarial Foundation, contributing articles, analyses and reflections on current legal issues.

Javier speaks English and Spanish.

Our team

Borja Díaz-Puertollano García
Senior associate – Dispute resolution

Borja has extensive experience advising on pre-litigation matters, as well as in various judicial and arbitration proceedings, covering a range of economic sectors.

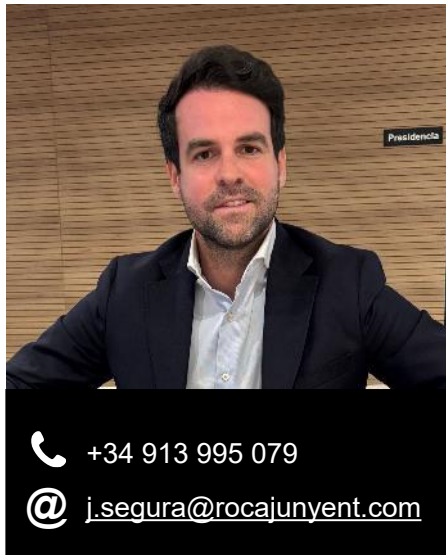

An expert in preventive advice, he provides ongoing advice to national and international companies and groups and is actively involved in the drafting, modification and adaptation of contracts and in the generation of corporate and commercial legal documents.

He also actively participates in arbitration and mediation proceedings. He is involved in negotiations with the aim of reaching out-of-court settlements that satisfy the client's interests. He is also a lecturer at various universities and the author of articles published in prestigious manuals.

Borja has been a candidate for the judicial and prosecutorial career, acquiring a deep knowledge of the legal system.

Borja speaks English, Italian and Spanish.

Our team

José Antonio Segura Prieto

Senior Associate – Regulatory law

José Antonio has extensive experience advising national and international companies, financial institutions, investment funds, public-law corporations and listed companies.

He has also led contentious-administrative proceedings arising from consumer law sanctions and administrative actions before the Spanish Administrative Courts, including appeals against administrative penalties, inspection campaigns, market surveillance actions and disputes relating to consumer protection regulations.

Has led civil claims arising from defective products against leading e-commerce companies. Among the most notable matters are claims relating to the defective manufacture of two smartwatches.

He has likewise represented a sports footwear manufacturer in claims arising from the placing of defective products on the market

In the academic sphere, he teaches as an Associate Professor of Administrative Law at a higher education institution specialising in Law and Economics.

José Antonio speaks Spanish and English.

Our team

Delia Rodríguez Fernández

Associate – Technology, cybersecurity and data protection

Delia is a solicitor in the Data Protection, Cybersecurity and New Technologies Practice Group. A specialist in cybersecurity (ISMS-certified) and data protection for the banking and financial sector (APEP-certified), she has experience in providing legal advice to clients on data protection, new technologies and technology contracts, particularly within the banking and financial sector.

Prior to joining the firm, she worked at a multidisciplinary law firm providing legal advice across various practice areas.

She has also been involved in developing privacy compliance strategies for a range of companies, reviewing and drafting internal policies and protocols, and conducting audits.

Delia has participated in various seminars and conferences in the privacy sector.

She holds a degree from the Complutense University of Madrid and a Master's in Legal Practice from CUNEF in Madrid.

Delia speaks Spanish, English and Italian.
